TASTENTAGE Part 2&3, Fall 2021 for the attention of all involved

Klosters, Beginning of September 2021

CORONA-PROTECTION CONCEPT

Basically

Access to TASTENTAGE concerts is granted to anyone who can present a valid Covid 19 certificate - electronic or paper. This must be presented at the entrance together with a valid identification document (ID, passport, driver's license with photo)..

The certificate is verified by means of Covid Check app.

Young people under the age of 16 do not have to present.

Recommendations

Contact tracing: A QR code is available, which can be scanned with the Swiss Covid app for good contact tracing. can be scanned.

The specifications regarding hygiene, distance and be observed. We ask you to comply with these BAG guidelines. are requested.

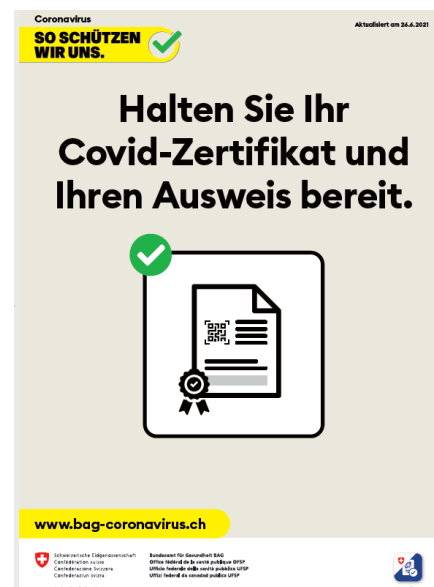

For hand hygiene, there is sufficient soap in the toilets and the and the various rooms, sufficient soaps and disinfectants disinfectants are available for hand hygiene. Persons with covid-like symptoms must stay at home and provide replacements if necessary.

Concert

There is no capacity limit inside the concert hall, but it is recommended.

The obligation to wear a mask is waived, the wearing of a mask is voluntary.

The bar is open before and after the concert.

TASTENTAGE KLOSTERS 2021

Ostersonntag, 4. April 2021
Fr 24.–So 26. Sep. / Fr 1.–So 3. Okt. 2021

Venues

The protection concept is applied in the various TASTENTAGE concert venues: Kulturschuppen, Aula Schule Klosters, Kaffee Klatsch Lounge, Atelier Bolt, Kesslerhof.

At the brunch in the Chesa Grischuna the protection concept of the hotel applies.

The ventilation in the Kulturschuppen runs permanently. In addition, the Kulturschuppen is ventilated after each concert.

Likewise, surfaces, door handles, and other objects in use are disinfected after each concert.

Helping

In principle, the certificate obligation also applies to the helpers.

However, the COVID_Ordinance of the Federal Government (2nd section, article 6, point 4b) allows that helpers can also be present without a certificate. In this case, all helpers (even those with a certificate) must wear the mask. Of course, the hygiene rules still apply.

Test possibility

Antigen testing is not available on site. A test with certificate can be done by appointment at the Heliosapotheke Klosters, Alte Bahnhofstrasse 11, Tel. 081 422 16 84.

Responsibility

The responsibility for the implementation of the protection concept lies with the TASTENTAGE organizer Christof Hegi, who also maintains contact with the cantonal and local authorities.
